**Welcome to summer and a bumper issue of the Bradley Newsletter**

## **Bradley Show 2017, Sunday 3<sup>rd</sup> September**

Building on the success of last year's show (although hoping for better weather), the organisers have come up with another great line up of events. All households should have received a Show Schedule by now; if you haven't please pick one up at the village store. Headline attractions are:

- Falconry display
- Drumming workshops
- Fun dog show
- Poultry show
- Tractor demonstration
- Magician
- Wool spinner
- Archery and climbing wall
- Mini motorbikes
- Beer tent and afternoon tea tent with seating

The Party in the Park has been made a bi-annual event, so we'll see its return next year. Please get in touch with Jill or her team if you'd like to help organise it.

The old favourites are still there: fancy dress, greasy pole, inflatable slide and children's races, tugs of war and craft stalls, all accompanied by a brass band and Drystone Radio, on site for the first time. The Fell Races will feature prominently as always.

Please note that exhibits for the big tent and dog, egg and poultry classes can be entered by anyone, village residents or not, so if you have visitors planned, get yourselves organised and enter lots! There's something for everyone, and more. All entries need to be dropped at the Village Store by **5pm on Wednesday 30th August** (late entries won't be accepted this time).

If you can help on Show Day by giving an hour of your time on a gate or in any other way, please contact Jill on [jillwebster2@googlemail.com](mailto:jillwebster2@googlemail.com) or Gwen on [gwenherbert@icloud.com](mailto:gwenherbert@icloud.com). Helpers are always needed, especially on the gates to collect entrance money and sell raffle tickets.

We're looking forward to a lovely day to celebrate the village coming together at the end of the summer holidays. Please let family and friends know and let's make it another great success.

To keep in touch with developments, visit the Bradley Show Facebook page – no previous FB experience is necessary!

### **Village Fund**

Bradley Show raises money for the Village Fund, which is available to any village community enterprise by application. This year funds have been given to the Cricket Club, the village hall toilet fund, both village churches, the Rainbows for trips, the Guides for tents, the WI for the upkeep of the flower beds beside the canal, the Kennet boat for running costs - amongst others. It also subsidised last year's very successful pantomime booking at the village hall, and is delighted to be able to repeat that this year, this time with Cinderella. There will be two matinee performances on **Saturday 11<sup>th</sup> November** and **Saturday 18<sup>th</sup> November**.

## Traffic in Bradley

In the consultation for Bradley Neighbourhood Plan, residents told the Parish Council that pedestrian, cyclist and vehicle road safety in and around Bradley was of top importance.

Of significant concern to many were the Ings Lane / A629 junction for both pedestrians and vehicles, the lack of footpaths over the heath on the Skipton Road, and the wish for more 20 mph speed limits in the village centre.

Following discussions with NYCC, the Parish Council has been told that road and signage improvements are provided based on budget availability and evidence of serious accidents and casualties. Fortunately, there have been very few recorded accidents in and around Bradley to date, but this means the village is not a priority for improvements.

The PC have therefore asked for a site visit and meeting in Bradley with the Head of Highways. This is where the residents come in. The PC need to provide him with specific examples of our concerns and any incidents or near-misses that have not been reported but indicate the risk that a serious incident could occur at any time.

**If you have a road safety concern or had or witnessed a near-miss within or around Bradley that you feel able to share, please forward brief details to:**

[clerk@parishcouncil.bradleyvillage.org](mailto:clerk@parishcouncil.bradleyvillage.org) or contact the clerk on 07505 142383.

Please indicate whether you wish your name to be published or not, and also whether you would like to attend the meeting and/or roadside site visit with NYCC Highways, and include your contact details.

## Neighbourhood Development Plan news

The Bradleys Both Pre-Submission Consultation Draft Neighbourhood Development Plan was shared with the community during a statutory consultation last year.

Since then, the Neighbourhood Planning Group have carefully reviewed all comments and feedback received and are now finalising the Draft Final Neighbourhood Plan prior to submitting it to Craven District Council.

The final Neighbourhood Plan will then be submitted to an independent examiner, and once passed, it will proceed to a Referendum of Bradleys Both residents.

A YES vote of over 50% of those voting will be required for the Neighbourhood Plan to be incorporated into Craven District Council's Local Development Plan. The Plan will then have statutory powers and will implement the vision for our community up to 2032.
